Transferability of organizational structures

Presentation within the PP-Meeting 27th July 2011

Transferability

Question: Can the model be implemented in other Alpine countries?

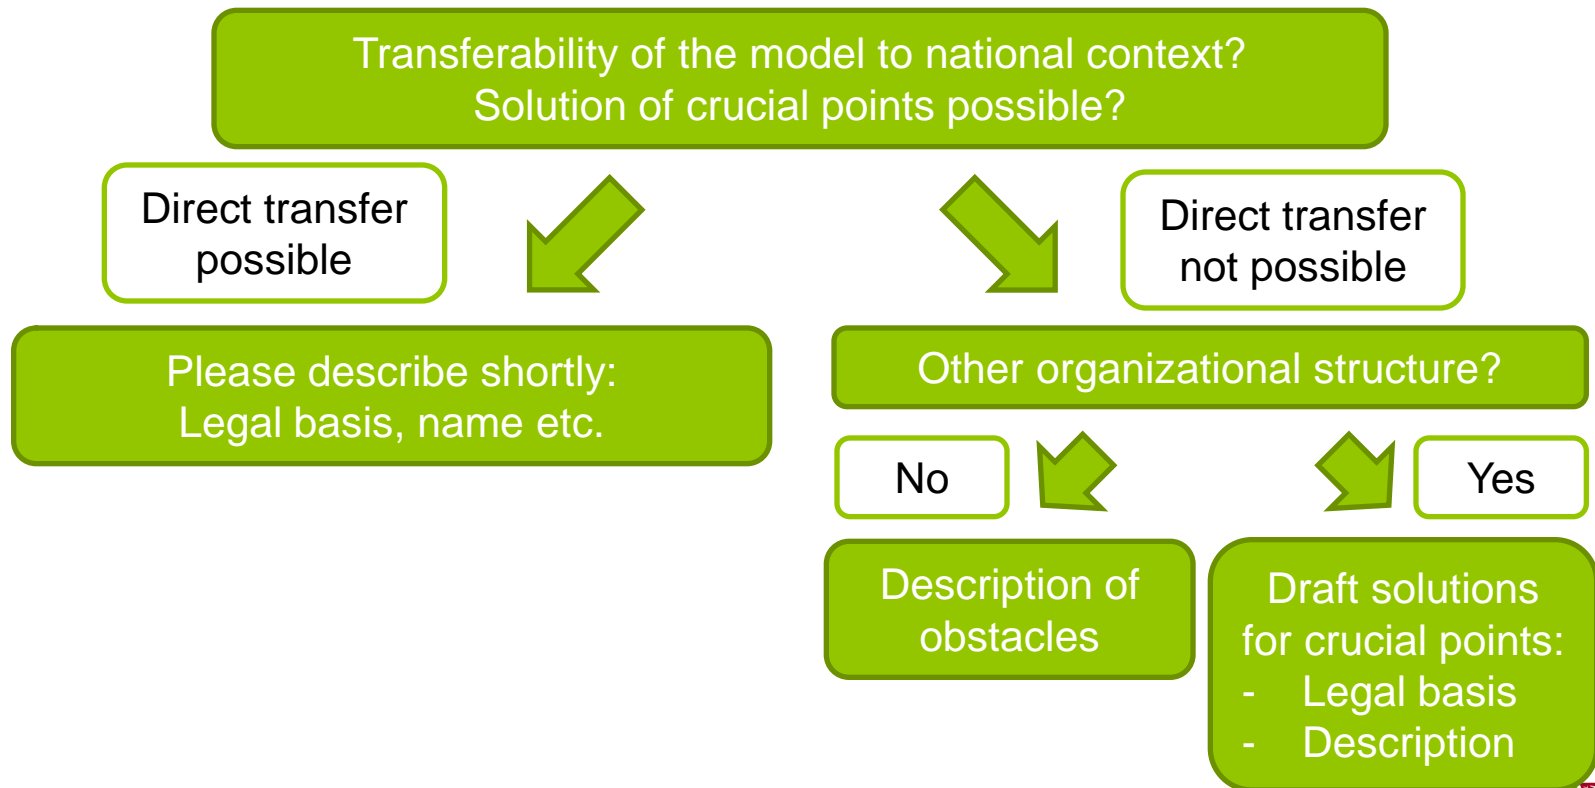

Step 1) Model description by Pilot Region Partner:

- General description of planned / established model
 - Objective of cooperation
 - Municipalities concerned, spatial distribution and functional interlinkages
- *Implementation concepts of pilot regions (WP 6)*
- Detailed description of crucial points
 - Function: Which tasks does the structure need to accomplish?
 - Organizational structure: How is the structure set up, how does it work?
 - Development and decision process: How has the model been developed?
- *Formulation of questions concerning those crucial points*

Transferability
