

BSC KRANJ;Gorenjska Description of activities ; Progress and changes/delays

27/07/2011

Overview

- Status of the situation in the region
- Achieved conclusions
- Reasons for deviations
- New implementation plan

Status of decision process/commitment

- **Organisational structure**
- Checking the possibility of joint structure with local communities
- **Comercial land management;**
- Possible availability of land (land use management)
- **Achieved results;** support of mayors to the idea of possible joint tasks within commercial land management

- **City community Kranj-** since new mayor in november 2010 several meetings with new leadership (initial idea to continue the work) **end of June 2011 SURPRISE; NEGATIVE DECISION-**stop all activities regarding the potential zone(political and economical reasons)

Further steps since decision of Kranj

- Check up meetings with remaining local community Šenčur (Yes; to continue); with the same location
- Meetings with possible new local community Cerklje (Yes; to join) with new location (near national airport Brnik)
- Further action; joint meeting with Šenčur and Cerklje in August 2011/beginning of September; expected final decision about the possible development
